	Members of the Council discussed the correspondence received from LCC ROAD TRAFFIC REGULATION ACT 1984 LANCASHIRE COUNTY COUNCIL (ACCRINGTON ROAD, WHALLEY, RIBBLE VALLEY BOROUGH) (REVOCATION AND PROHIBITION OF WAITING) ORDER 202* The Parish Council has significant concerns regarding the proposed parking restrictions on Accrington Road. Whalley already experiences considerable parking pressures, and the introduction of these additional restrictions would further exacerbate an already difficult situation for residents, visitors and local businesses. Whilst the Council recognises that maintaining safety at road junctions is an important priority, we will request that no restriction be introduced in relation to item (2a). In particular, the Council strongly objects to the proposed prohibition of waiting on the north side of Accrington Road, from a point 14 metres north-west of its junction with the centreline of Sydney Avenue, extending for a distance of 157 metres in an easterly direction. The Council will write to LCC and ask that serious consideration be given to omitting this element of the Order. Retaining the existing parking provision would help alleviate the already significant parking difficulties experienced by businesses on Whalley's high street and would support the sustainability of the village centre and its businesses, while still allowing appropriate measures to be taken to address road safety concerns.	2576/26
10.	Village Traditional Signposts	
	Cllr Vickers and Cllr Smith are investigating the logistics of the site location and installation of the visitor signpost with the manufacturer.	2577/26
11.	Replacement of Bench	
	It was resolved to replace the bespoke bench at the front of Vale Gardens at a cost of £1,150 plus VAT, including installation.	2578/26
12.	RVBC Assets – Consideration of Transfer to the Parish Council	
	The Council considered the assets currently owned by Ribble Valley Borough Council (RVBC) they would like to be transferred to the Parish Council, where such transfer would provide best value and better serve the needs of local residents and communities in preparation for Local Government Reorganisation (LGR). These assets include; • Procter's Field and Playground • Whalley Moor Woodland & Common • Woodland Park Play Area • Any other amenity land or public open spaces within the parish that are currently maintained by Ribble Valley Borough Council	2579/26
13.	Consultation on removal of restriction on Hackney Carriage numbers	
	The Council supports Ribble Valley Borough Council's Licensing Committee decision to review the current limit of 53 hackney carriage licences and to allow the Council discretion to exceed this limit where a vehicle would demonstrably improve accessibility provision.	2580/26
