5. WWBJBC Budget Setting for 1/4/2026 - 31/3/2027

The budget was reviewed and it was resolved to approve the Cemetery Budget for the financial year 1/4/2026 - 31/3/2027.

WWBJBC Cemetery Budget Summary 2026–27

Financial Year 1/4/2024-31/3/2025 saw a decrease in income from the previous year 1/4/2023 – 31/3/2024 of £2534.

Registrar/Clerk expenditure was reduced due to staffing changes and a decrease in employment hours/sick pay, resulting in lower salary, associated expenses and HR costs.

Grounds maintenance expenditure increased significantly by £19,157 due to essential works undertaken during the period. These included removal of spoil from the bottom of the cemetery (£2,550), repairs to path edgings (£4,200), memorial safety works (£7,430), construction of a shed base (£650), and purchase of a shed (£583), for which grant funding was received to cover the cost. Additional costs related to tree works and risk reports (£920), replacement

186/26

of the main cemetery gates (£1,900), and other grounds maintenance equipment, including grave markers, a wheelbarrow, and watering cans (circa £900).

Additional expenditure was incurred through the computerisation of the cemetery booking and register system, with the purchase of the Epitaph software at a cost of £697 which was effectively costed in last years budget.

In 2025–26, grounds maintenance works included the creation of a new pathside ashes section along the woodland path (£2400), as existing pathside ashes plots were nearing capacity.

Minutes

1. Chairmans Welcome

Cllr Highton welcomed everyone to the meeting and thanked them for coming.

2. Whalley Parish Council Chairman's Annual Report 2025-26

I would like welcome everyone to the Annual Parish Meeting.

Whalley Parish Council is made up of 9 councillors. We have recently co-opted Tony Shaw to join us and fill the vacancy that we have had since last year.

Councillors are volunteers and receive no financial support for the many hours spent working for the village. It was an honour to be re-elected Chairman at last years A G M and I would like to thank my fellow councillors for their support throughout the year.

The council normally hold 11 monthly meetings plus the Annual and Precept meetings.

Planning meetings are normally held each month where any planning applications are considered and comments passed to R V B C, any objections can only be made on planning grounds. The proposed development off Accrington Road has now been approved on appeal by the Planning Inspectorate. A development off Clitheroe Road beyond Bramley Meade was submitted for decision in February but this has so far been refused by R V B C. We have also tried to ensure that R V B C enforces planning conditions on properties on the Mitton Road business park. I would like to thank our Chairman of Planning, Councillor John Threlfall for the many hours of preparation prior to these meetings

A major concern remains about anti-social behaviour which has included drug taking, drinking, general vandalism and verbal abuse when challenged. There have been numerous complaints received from several areas of the village. We hold regular meetings with the police and other interested parties to work towards resolution of these issues. We have been offered a grant to provide additional CCTV coverage of the area around the public toilets.

Some licensed properties have continued to be the centre of anti-social behaviour and we continue to receive complaints regarding their late night and early morning activities from residents. We are pleasantly surprised that the environmental health officer has at last submitted a request for a licence review to the licensing department at R V B C which may address the problem of noise in the early hours. The Cumulative Impact Assessment was renewed by R V B C and although it is of limited value it is the only means of controlling further licence applications. R V have installed a new CCTV camera to cover Accrington Road and Queen Street

Speeding continues to be an issue on several roads and there has been no success in obtaining enforcement from the Lancashire Safety Partnership. We have a rolling programme of deploying Spids at various locations on the major roads throughout the village with the help of Altham P C. The results have been downloaded from these

devices and we now have accurate details of the speed profile for these locations and an accurate count of passing vehicles whilst deployed.

We are continuing to press for an additional boundary sign on Wiswell Lane but so far without success!

Waste bin servicing remains a problem and we are disappointed that R V has not agreed to the introduction of a new scheme due to the lack of funding from central government.

Remembrance Day: we have continued to fund a road closure of King Street so that the traditional march from the Parish Church and the silence at 11am at the War Memorial can take place safely and respectfully. We have arranged to have the memorial steps re-pointed this year.

Churchyard: Whalley is a closed churchyard and is a major responsibility for the P C. The general maintenance contract has continued with Abbey Gardening Services and I am pleased with the continued improvement of the appearance of the churchyard. Trees and slippery paths continue to be a major problem and need constant attention. We still plan to flag a section of the path leading to the lower cemetery area subject to resources being available. We have had to remove a multi stemmed Sycamore from the internal corner with Back King Street that was causing failure of the perimeter wall which has now been re-built.

Grounds & Gardens: Abbey Gardening Services continue to make good progress enhancing the environment of the village in two roles, firstly as gardening contractors and also with the contract as lengthsman for the village.

We have installed a flagpole at the front of Vale Gardens and it will normally display the Union Flag.

We have installed a further 4 new benches this year, constructed by Ark Plastics from new cast iron ends in the standard style of the refurbished benches in Vale Gardens and replaced life expired benches. We will continue the bench programme by adding at least 4 more of this type this coming year.

We are using parish mapping software which identifies the location and condition of all our assets, I would like to thank Councillor Richard Vickers for his counting work on this project.

I would like to commend the work of the Whalley in Bloom volunteers throughout the village and wish to congratulate them on the awards received which included Gold in the small town category and Best Small Town. We were also successful in the Best Kept Village competition where we won the Urban Community category. I would also like to commend all the good work for the benefit of the community done by Whalley Lions, particularly the regular litter picking which improves the appearance of the village.

The Parish Council continues to use the large cedar tree as a permanent Christmas Tree for the village and together with the lamp standard decorations produce an impressive display. We will continue to arrange and fund the repairs, installation and removal of these Christmas Lights and hope to make a further addition to the display this year

QEII Playing Fields: We have recently engaged a transport consultant to prepare the relevant reports for the full planning application for the building of a community sports

hall. We must complete this planning application process before we can apply for funding. Whalley Parish Council is now the sole corporate trustee of the QEII playing fields trust. I would like to particularly commend Councillor Jon Smith for his work on the project.

Whalley, Wiswell and Barrow Cemetery, the Burial Committee is now a committee of W P C but still with representatives from Barrow P C and Wiswell P C. Meetings are held quarterly. This year we have created a further area for path side ashes interment and improved the site with new path side edging around the woodland section and creating a new area for planting at the front of the cemetery

We have appointed a new company to conduct our annual tree inspections at all sites that are the responsibility of the parish council and their recommendations will be followed by our tree surgeon. Adam Cottam Trust, the Almshouses remain in good condition and only require minor maintenance work. They continue to be a valuable provision for the village. I would like to particularly commend Councillor Cliff Ball for his work with the Almshouses trust.

Old Grammar School, we continue to support the Whalley Education Foundation trustees. This year this has involved funding the re-development of the Upper Garden Room

Concurrent Functions: I am pleased to report that R V has continued to support P C with a grant towards expenditure on the lengthsman, burial grounds and parks.

Grants were maintained at 5k this year, primarily made to local groups. The traditional method of determining the grant recipients in January has finished and the Parish Council will consider applications through the financial year.

The Website continues to be the main source of information on the P C and continues to receive compliments on its appearance and functionality.

Further policy and governance documents have been reviewed and updated this year
We have appointed a staffing committee

I would like to thank our Clerk, Liz Haworth for the excellent contribution that she is making to the Parish Council and the support that she has given to me and the council throughout the year.

Issues going forward;

Flood Mitigation Measures, we are pleased that the Environmental Agency have reconsidered the funding of flood protection measures for Whalley and look forward to seeing the plans.

Car Park: the long stay car park off Accrington Road is still on the development plan for the site but it appears that R V B C have changed their mind and now intend to operate it themselves.

Unitary authority, it is likely that R V will be absorbed into a larger unitary authority within the next two years. The chosen format will be published by the government this summer but the positive impact anticipated from a transfer of assets from R V may well not happen

I look forward to continuing to work for the benefit of the village.

Thank you. Martin Highton

The Clerk and RFO gave a brief summary of the accounting statement, explaining that the increase in the balance is due to monies yet to be invoiced for works agreed for the 2025–26 financial year, including tree works to the Churchyard and QEII playing fields, repairs to the Parish Church churchyard wall, and QEII development plans.

The Parish Council continues to meet the needs of the community and manages its finances within the budget framework set for each financial year.

Each year Whalley Parish Council’s annual return is audited by an external auditor appointed by the Audit Commission and any person interested can inspect and make copies of the annual return and all books, contracts, bills, and receipts relating to them. These documents are available on reasonable notice, after the audit. The period for the exercise of public rights is from Wednesday 3 June – Tuesday 14 July 2026.

The Parish Councils of Whalley, Wiswell and Barrow jointly own and are responsible for the burial ground at the Cemetery on Clitheroe Road. The balances held in the WWB Joint Burial Committee’s bank accounts, together with its assets, are apportioned between the three Parish Councils on a percentage basis and included within each Council’s Annual Governance & Accountability Return. LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and ‘other’ smaller authorities.

The basic position

The [Local Audit and Accountability Act 2014](#) (the Act) governs the work of auditors appointed to smaller authorities. This summary explains the provisions contained in Sections 26 and 27 of the Act. The Act and the [Accounts and Audit Regulations 2015](#) also cover the duties, responsibilities and rights of smaller authorities, other organisations and the public concerning the accounts being audited.

As a local elector, or an interested person, you have certain legal rights in respect of the accounting records of smaller authorities. As an interested person you can inspect accounting records and related documents. If you are a local government elector for the area to which the accounts relate you can also ask questions about the accounts and object to them. You do not have to pay directly for exercising your rights. However, any resulting costs incurred by the smaller authority form part of its running costs. Therefore, indirectly, local residents pay for the cost of you exercising your rights through their council tax.

The right to inspect the accounting records

Any interested person can inspect the accounting records, which includes but is not limited to local electors. You can inspect the accounting records for the financial year to which the audit relates and all books, deeds, contracts, bills, vouchers, receipts and other documents relating to those records. You can copy all, or part, of these records or documents. Your inspection must be about the accounts, or relate to an item in the accounts. You cannot, for example, inspect or copy documents unrelated to the accounts, or that include personal information (Section 26 (6) – (10) of the Act explains what is meant by personal information). You cannot inspect information which is protected by commercial confidentiality. This is information which would prejudice commercial confidentiality if it was released to the public and there is not, set against this, a very strong reason in the public interest why it should nevertheless be disclosed.

When smaller authorities have finished preparing accounts for the financial year and approved them, they must publish them (including on a website). There must be a 30 working day period, called the ‘period for the exercise of public rights’, during which you can exercise your statutory right to inspect the accounting records. Smaller authorities must tell the public, including advertising this on their website, that the accounting records and related documents are available to inspect. By arrangement you will then have 30 working days to inspect and make copies of the accounting records. You may have to pay a copying charge. The 30 working day period must include a common period of inspection during which all smaller authorities’ accounting records are available to inspect. This will be 1-14 July 2026 for 2025/26 accounts. The advertisement must set out the dates of the period for the exercise of public rights, how you can communicate to the smaller authority that you wish to inspect the accounting records and related documents, the name and address of the auditor, and the relevant legislation that governs the inspection of accounts and objections.

The right to ask the auditor questions about the accounting records

You should first ask your smaller authority about the accounting records, since they hold all the details. If you are a local elector, your right to ask questions of the external auditor is enshrined in law. However, while the auditor will answer your questions where possible, they are not always obliged to do so. For example, the question might be better answered by another organisation, require investigation beyond the auditor’s remit, or involve disproportionate cost (which is borne by the local taxpayer). Give your smaller authority the opportunity first to explain anything in the accounting records that you are unsure about. If you are not satisfied with their explanation, you can question the external auditor about the accounting records.

The law limits the time available for you formally to ask questions. This must be done in the period for the exercise of public rights, so let the external auditor know your concern as soon as possible. The

advertisement or notice that tells you the accounting records are available to inspect will also give the period for the exercise of public rights during which you may ask the auditor questions, which here means formally asking questions under the Act. You can ask someone to represent you when asking the external auditor questions.

Before you ask the external auditor any questions, inspect the accounting records fully, so you know what they contain. Please remember that you cannot formally ask questions, under the Act, after the end of the period for the exercise of public rights. You may ask your smaller authority other questions about their accounts for any year, at any time. But these are not questions under the Act.

You can ask the external auditor questions about an item in the accounting records for the financial year being audited. However, your right to ask the external auditor questions is limited. The external auditor can only answer 'what' questions, not 'why' questions. The external auditor cannot answer questions about policies, finances, procedures or anything else unless it is directly relevant to an item in the accounting records. Remember that your questions must always be about facts, not opinions. To avoid misunderstanding, we recommend that you always put your questions in writing.

The right to make objections at audit

You have inspected the accounting records and asked your questions of the smaller authority. Now you may wish to object to the accounts on the basis that an item in them is in your view unlawful or there are matters of wider concern arising from the smaller authority's finances. A local government elector can ask the external auditor to apply to the High Court for a declaration that an item of account is unlawful, or to issue a report on matters which are in the public interest. You must tell the external auditor which specific item in the accounts you object to and why you think the item is unlawful, or why you think that a public interest report should be made about it. You must provide the external auditor with the evidence you have to support your objection. Disagreeing with income or spending does not make it unlawful. To object to the accounts you must write to the external auditor stating you want to make an objection, including the information and evidence below and you must send a copy to the smaller authority. The notice must include:

- confirmation that you are an elector in the smaller authority's area;
- why you are objecting to the accounts and the facts on which you rely;
- details of any item in the accounts that you think is unlawful; and
- details of any matter about which you think the external auditor should make a public interest report.

Other than it must be in writing, there is no set format for objecting. You can only ask the external auditor to act within the powers available under the [Local Audit and Accountability Act 2014](#).

A final word

You may not use this 'right to object' to make a personal complaint or claim against your smaller authority. You should take such complaints to your local Citizens' Advice Bureau, local Law Centre or to your solicitor. Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, one of a series of factors the auditor must take into account is the cost that will be involved, they will only continue with the objection if it is in the public interest to do so. They may also decide not to consider an objection if they think that it is frivolous or vexatious, or if it repeats an objection already considered. If you appeal to the courts against an auditor's decision not to apply to the courts for a declaration that an item of account is unlawful, you will have to pay for the action yourself.

For more detailed guidance on public rights and the special powers of auditors, copies of the publication Local authority accounts: A guide to your rights are available from the NAO website.	If you wish to contact your authority's appointed external auditor please write to the address in paragraph 4 of the <i>Notice of Public Rights and Publication of Unaudited Annual Governance & Accountability Return</i> .
